## **GREENBANK SUBSIDIARY GREENCOINX APPOINTS JOHN G. BOOTH TO ADVISORY BOARD**

### **Booth Joins GreenCoinX Talented Brain Trust**

Toronto, Ontario, March 30, 2016 – GreenBank Capital Inc (CSE:GBC and OTCMKTS:GRNBF) ("GreenBank") announces that its 80% owned subsidiary GreenCoinX Inc has appointed John G. Booth to its Advisory Board.

John G. Booth is the Co-Founder and currently a Director and largest shareholder of Midpoint Holdings Ltd (TSXV:MPT) having stepped down as Chairman and CEO in late 2015. Midpoint is the world's first peer to peer Foreign Exchange matching platform which matches buyers and sellers at the midpoint of the relevant currency interbank cross rate via its US patented multi-party, multi-currency matching computerized business method. John led the company from inception through to revenue and through various rounds of financing culminating with its listing on both the Toronto and Frankfurt exchanges. He is also Chairman of Laramide Resources (TSX:LAM), a director of Maya Gold & Silver (TSXV:MYA) and Tirex Resources (TSXV:TXX) where he was the nominee director for the European Bank for Reconstruction and Development for many years. He has over 25 years' experience in international finance as an investment banker, strategy consultant, lawyer and fund manager. He has co-founded three financial services companies, and is a member in good standing of the bars of Ontario, New York and DC. He obtained his LLM in International Finance, Tax and Environmental Law from University of London, JD from University of Detroit, and LLB in Law from University of Windsor.

"I am delighted to welcome John G. Booth to our Advisory Board. His comprehensive international experience will be invaluable. He joins a talented group of executives who collectively bring immense technological, corporate, financial and entrepreneurial experience that will assist in the further development of GreenCoinX, the world's first cryptocurrency that requires user identification" said Danny Wettreich, CEO.

"I am impressed with what has been achieved to date with the GreenCoinX ecosystem, and I look forward to assisting with the growth of this unique cryptocurrency." said John G. Booth.

## About GreenBank

GreenBank is a Canadian public company (trading symbols CSE:GBC and OTCMKTS:GRNBF). Its 80% subsidiary GreenCoinX Inc. has developed the world's first cryptocurrency requiring user identification. GreenCoinX meets the same "Know Your Customer" identification standards as the banking community, and makes the promise of cryptocurrency a reality by alleviating concerns that crooks and terrorists can use cryptocurrency to hide their activities. GreenBank's 100% subsidiary GreenBank Financial Inc. is an investment bank.
