Date: May 06, 2024

This Monthly Progress Report must be posted before the opening of trading on the fifth trading day of each month. This report is not intended to replace the Issuer's obligation to separately report material information forthwith upon the information becoming known to management or to post the forms required by Exchange Policies. If material information became known and was reported during the preceding month to which this report relates, this report should refer to the material information, the news release date and the posting date on the Exchange website.

This report is intended to keep investors and the market informed of the Issuer's ongoing business and management activities that occurred during the preceding month. Do not discuss goals or future plans unless they have crystallized to the point that they are "material information" as defined in the Policies. The discussion in this report must be factual, balanced and non-promotional.

General Instructions

- (a) Prepare this Monthly Progress Report using the format set out below. The sequence of questions must not be altered, nor should questions be omitted or left unanswered. The answers to the items must be in narrative form. State when the answer to any item is negative or not applicable to the Issuer. The title to each item must precede the answer.
- (b) The term "Issuer" includes the Issuer and any of its subsidiaries.
- (c) Terms used and not defined in this form are defined or interpreted in Policy 1 – Interpretation and General Provisions.

Report on Business

1. Provide a general overview and discussion of the development of the Issuer's business and operations over the previous month. Where the Issuer was inactive disclose this fact.

The Company is planning its 2024 exploration work and the financing that would be needed to accomplish the exploration goals. Strong precious metals prices are yielding increases in investor sentiment. At the Discovery target,

the technical team is investigating options for further Induced polarization work prior to drilling expected later in the season. Plans are also being put in place to facilitate rock sampling at the Pheno claims, mapping at the Kashmir showing, and possible drilling at the Heather target. In Newfoundland, the team would like to continue drilling along untested gold trends at the Lewis Property, pending market conditions and the ability to raise capital.

2. Provide a general overview and discussion of the activities of management.

Management prepared for the annual audit and the board of directors considered proposed exploration work programs. Management spoke with investors, shareholders and financiers to gauge overall sentiment and fundraising potential.

3. Describe and provide details of any new products or services developed or offered. For resource companies, provide details of new drilling, exploration or production programs and acquisitions of any new properties and attach any mineral or oil and gas or other reports required under Ontario securities law.

No new drilling or exploration occurred during the month of April.

4. Describe and provide details of any products or services that were discontinued. For resource companies, provide details of any drilling, exploration or production programs that have been amended or abandoned.

No drilling, exploration, or production programs have been materially amended or abandoned.

5. Describe any new business relationships entered into between the Issuer, the Issuer's affiliates or third parties including contracts to supply products or services, joint venture agreements and licensing agreements etc. State whether the relationship is with a Related Person of the Issuer and provide details of the relationship.

No new business relationships were formed in the month of April.

6. Describe the expiry or termination of any contracts or agreements between the Issuer, the Issuer's affiliates or third parties or cancellation of any financing arrangements that have been previously announced.

No expiry or termination of contracts or financing agreements occurred during the month.

7. Describe any acquisitions by the Issuer or dispositions of the Issuer's assets that occurred during the preceding month. Provide details of the nature of the assets acquired or disposed of and provide details of the consideration paid or payable together with a schedule of payments if applicable, and of any valuation. State how the consideration was determined and whether the acquisition was from, or the disposition was to a Related Person of the Issuer and provide details of the relationship.

No new assets were acquired, and no assets were disposed of during the month.

8. Describe the acquisition of new customers or loss of customers.
